This is the Agenda screen. This is a scrollable list of agenda items. It can be filtered by committee.

Click on the text region of an item to get a popup providing more detail about that particular meeting.

Click on the circle to the left of the text region to toggle this meeting in/out of your "MyMeetings" list.

The blue dot with white checkmark indicates a meeting that is in your MyMeetings list.

Clicking the MyMeetings button will refresh the list to only show meetings that are in our MyMeetings list.

This is the MyMeetings view of the agenda. In it are only meetings you have selected.

Clicking on Full Agenda will show all meetings on the agenda. This is equivalent to changing the filter to Show All.
